

MG

THE NEW ZT | ZT-T 260

V8

BY PASSIONATE DRIVERS FOR PASSIONATE DRIVERS

Remember opposite lock? Enjoy the ZT and ZT-TV8. Two cars designed with a passion for performance and engineered and built to answer the needs of true driving obsessives. If you're planning to exploit the car's ultimate performance you'd best head to the Autobahns, top speed is electronically limited to 155 mph, while elsewhere you'll love the fact that one gear change and a mere 6.2 seconds from rest you've arrived at 60 mph. The train-like pull from the big V8 provides breathtaking in-gear acceleration, making the car deceptively easy to drive and devastatingly quick across country.

Revel in the seamless response of the car's finely balanced chassis to the enormous torque of the 4.6 Litre V8. It's not for the faint-hearted.

But there's more, much more to this car than just a muscular V8 engine. The chassis has been completely re-engineered. The new multi-link rear axle has been designed to work seamlessly with the Hydratrak limited slip differential to provide entertainment unlimited, ensuring perfect balance at all times. And yet more delight from the bespoke steering system, designed in conjunction with the new McPherson Strut front suspension, to provide the ultimate in steering feedback.

The unique low depression intake system which feeds the power unit its essential oxygen and the low loss exhaust system, whose four tailpipes, purposefully shrouded below race-inspired bumper heatshields, hint at the car's awesome potential.

The new MG ZT and ZT-T V8 range. By passionate drivers, for passionate drivers from only £27,995.

1st		39 (62) / 39 (62)

Manufacturer's data. All fuel economy figures are in accordance with Directive 99/100/EC. They have been calculated using the same test cycle as used for official exhaust classification. They cannot be compared with the previous steady speed/urban figures and are more representative of actual on-road fuel consumption. Under normal use a car's actual fuel consumption figures may differ from those achieved through the test procedure, depending on driving technique, road and traffic conditions, environmental factors, and vehicle condition.

■ Standard □ Option - Not Available

For exterior colours please refer to the main ZT/T-T Brochure.

- **WARRANTY:** During the first three years of ownership you'll enjoy the protection of one of the most comprehensive extended warranties in the industry. All MG models purchased from authorised MG Rover distributors in the UK are covered by a three year/60,000 mile warranty*. Included within this extended three year warranty are an array of guarantees and services designed to offer complete peace of mind motoring.
- **SERVICE INTERVALS:** 5,000 miles/12 months whichever occurs first, then every 5,000 miles/12 months thereafter.

* Made up of a 12 month unlimited mileage warranty plus MG Rover's 2nd and 3rd year 60,000 mile extended warranty subject to terms and conditions. The extended warranty is provided by MG Rover as a no cost option to purchasers of MGs from authorised UK MG Rover distributors. The extended warranty will only apply to the extent that the 12 month unlimited mileage warranty has not exceeded 60,000 miles.
